

Language I/O[®] Guide Translation for Zendesk

0320

Automate Human Professional Translation of Your Articles

- Integrates with Zendesk Guide
- Translates your knowledge base to increase CSAT scores and NPS, and reduce your support costs
- Automatically translates your knowledge base with a click of a button
- Automatically localizes embedded links
- Supports over 150 languages
- Saves money and cuts time-to-market by providing self-help in local languages
- Incorporates glossaries so approved translations of product names and tricky terminology are adhered to
- Remembers and reuses previous translations to reduce cost, improve quality, ensure consistency and minimize turn-around time
- 72 percent of our customers don't need to hire additional support staff after implementing Language I/O software
- Provides top tier security by using encryption to protect customer data

**73% of customers
want to solve product or service
issues on their own.**
