CERTIFICATE OF REGISTRATION

Artificial Intelligence Management System
ISO/IEC 42001:2023

Language I/O, Inc.

A-LIGN Compliance and Security, Inc. confirms as a result of the certification decision on October 23, 2025, according to ISO/IEC 170201-1 that the organization has a Management System according to ISO/IEC 42001 and SoA listed below for the scope

The Artificial Intelligence Security Management System (AIMS), in line with ISO/IEC 42001:2023, ensures the confidentiality, integrity, and availability of customer data, supplier information, and Language I/O's internal data within the environment. This includes the documented information, personnel, and processes supporting the Language I/O application and delivery, as managed by Language I/O. This applies to the roles of AI producer.

The Company does not have any activities within the certification undertaken at a defined physical location, and all activities are conducted remotely.

The statement of applicability includes control objectives from the ISO/IEC 42001:2023 framework specifies the applicable roles, AI Producer, involved in their implementation and oversight.

The organization is monitored by A-LIGN Compliance and Security, Inc. during the term of the certificate.
